We would like to say thank you for all the fantastic fun we had at Ardroy. All the staff were excellent because they listened to us and helped us when we needed help. They were very patient with us especially when we were trying to do Jacob's Ladder, the Quest and abseiling. We really enjoyed Cam's lumberjack joke, Scott's sense of humour, Suzie's kindness, Rob's patience and Sally's support.

The food was miles better than school dinners. Kira loved the fish, Jackson liked the pizza and smiley faces, Matthew loved the burgers and Sophie thought the pasta was the best.

The activities were fun and exciting. The instructors made us feel safe and tried to encourage us to do new things. We learnt new skills and tried new things we wouldn't usually do. Our favourite activities were the Lost at Sea day and abseiling.

We learnt a lot of things at Ardroy and it is an experience we will never forget.
